

Unetixs Vascular announces P.A.D. Coalition sponsorship

Unetixs Vascular recently finalized an agreement with the P.A.D. Coalition to become an official Silver Corporate sponsor. The P.A.D. Coalition is a Colorado-based organization consisting of leading health organizations, vascular health professional societies, and government agencies that have the goal of raising both public and professional awareness about the dangers of Peripheral Artery Disease (P.A.D.) Unetixs Vascular's relationship aligns them with one of the strongest communities of health experts dedicated to promoting early recognition and treatment of P.A.D. and reinforces their devotion to vascular disease awareness and care strategies on both a national and global level.
